Dear Ms. Grant:

Carly for California (FEC ID# C00469924) is in receipt of your Request for Additional Information dated August 24, 2010, referencing our Amended April Quarterly FEC report for the period of (1/1/10-3/31/10).

With respect to the items in your letter, the Committee responds as follows:

Item 1: Based on the information you provided by telephone to a committee representative, the column B totals are correct as filed, and no amendment is required.

Item 2, 3: A requested amendment will be filed correcting the donor itemization and cycle total to date figures you noted. Details on those contributors are as follows:

Senate Majority Fund - A contribution from "The Senate Victory Fund PAC" was originally reported under the name "Senate Majority Fund Leadership PAC". The Q1 amendment filed on 8/3/2010 corrected the committee's name. The filed aggregates are correct for the respective committees.

Allen, Roger - This donor's aggregate is corrected on the Q1 amendment that will be filed following this response.

Johnson, Gary - Originally reported as "Gary Johnston", this donor's aggregate is correctly reflected on all applicable reports.

Smith, D - Mr. Smith contributed \$250 on 12/17/2009. His aggregates are correctly reflected on both reports.

Wilcox-Cassidy, Lisa - This donor's aggregate is corrected on the Q1 amendment that will be filed following this response.

Item 4: The committee sends out follow-up letters on a regular basis when the requested attribution information to partners/members is not provided by the contributor, and all information received with respect to partners/members requiring itemization is reported when received.

The Committee has reviewed the issues indicated in your letter, and has provided a written explanation of actions taken in regard to each item. Through this response, the Committee can confirm, as you requested, that the appropriate steps have been taken for each donation you referenced.
